## EXPERIENCE

---

### Mathematics in Motion Intern

*(Remote) Atlanta / June 2020 - September 2020*

- Worked with this non-profit to redesign their website as well as run their social media.
- Promoted math activities and community involvement in learning about math while intersecting other disciplines such as dance and visual art
- Created promotional video using Adobe Premiere Pro

### Stacks Assistant Supervisor

*Woodruff Library, Atlanta / Oct 2018 - April 2020*

- Was promoted to supervisor in September 2019 for exceeding expectations. Earned commendations for working efficiently and consistently improving.
- As a supervisor, I am expected to monitor student productivity and provide feedback as well as assign work and ensure employees understand their duties and tasks.
- Mainly independent work with expectation to time manage and come in at scheduled times with the understanding of prioritizing certain tasks.

## PROJECTS

---

### Project Amiga - Team Member

Emory University

- Built a cross-platform mobile app with React Native that helped users track their mental health

## RECOGNITION
