

ANNA'S zine

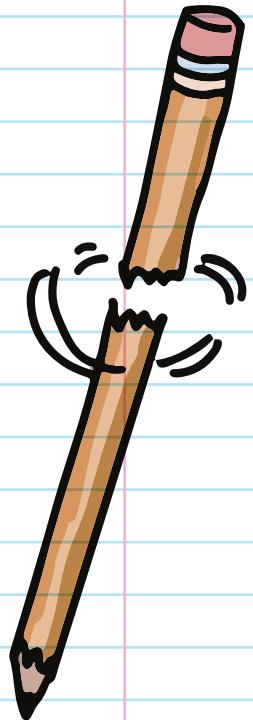

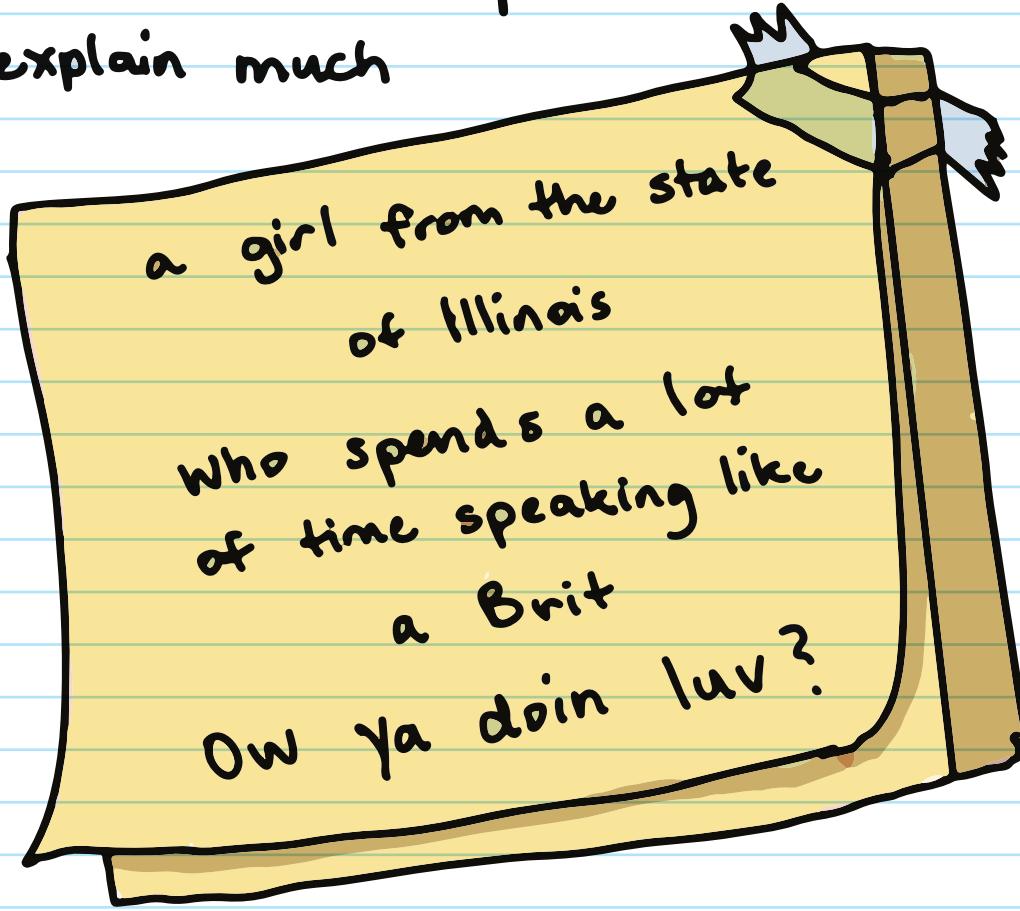

my name is
Anna Maria Mola
and this is my
first EVER zine!
very exciting:

4 4 4

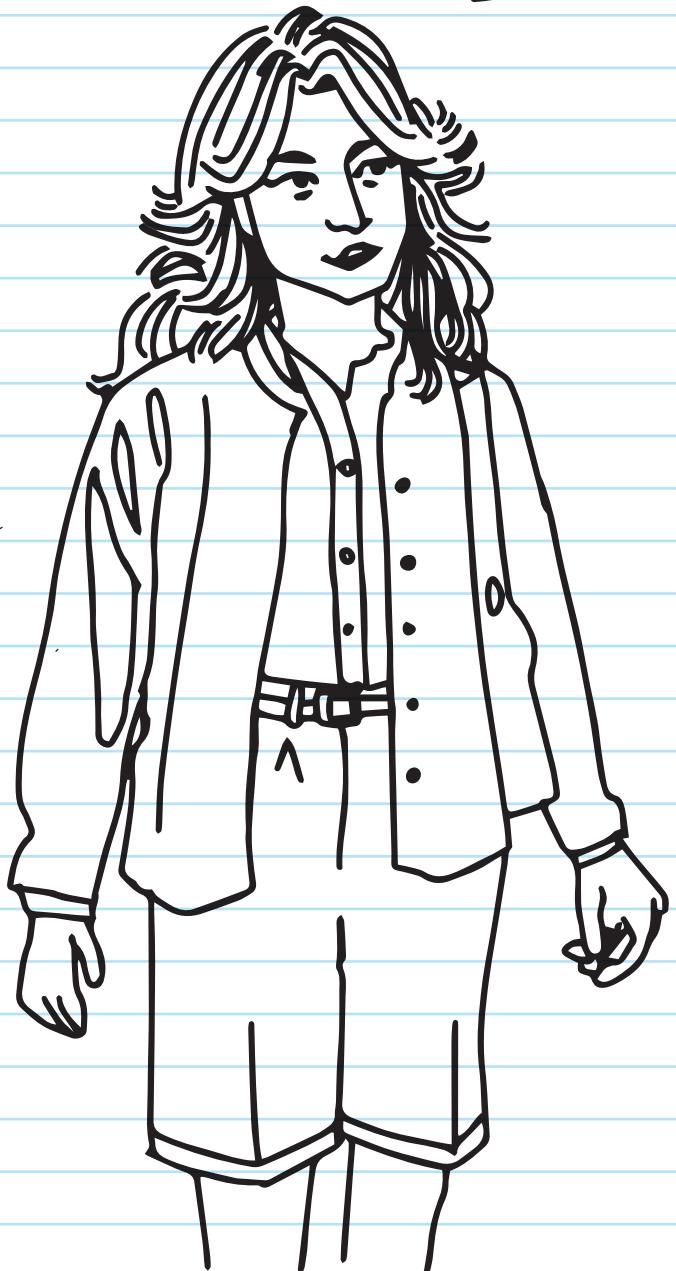

here is a short poem about me that won't
explain much

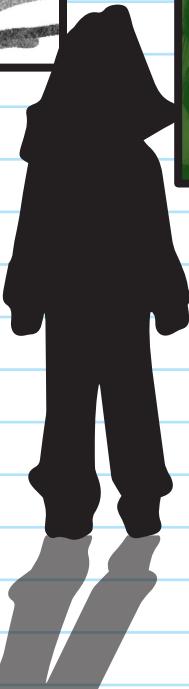

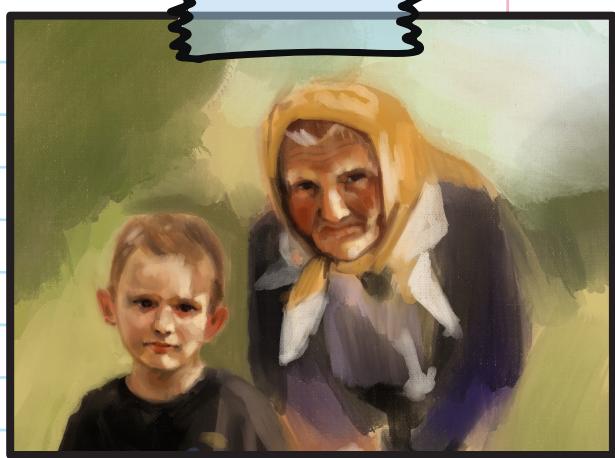

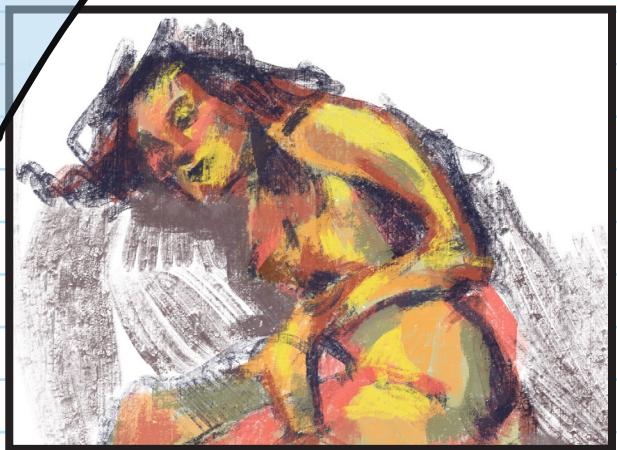

I want to dress
like Meg Ryan in

When Harry Met Sally

that's all

people have told me that
pretending to be in a
coffin in order to fall
asleep isn't normal

all I'm saying is

try it one time

then report back
to me

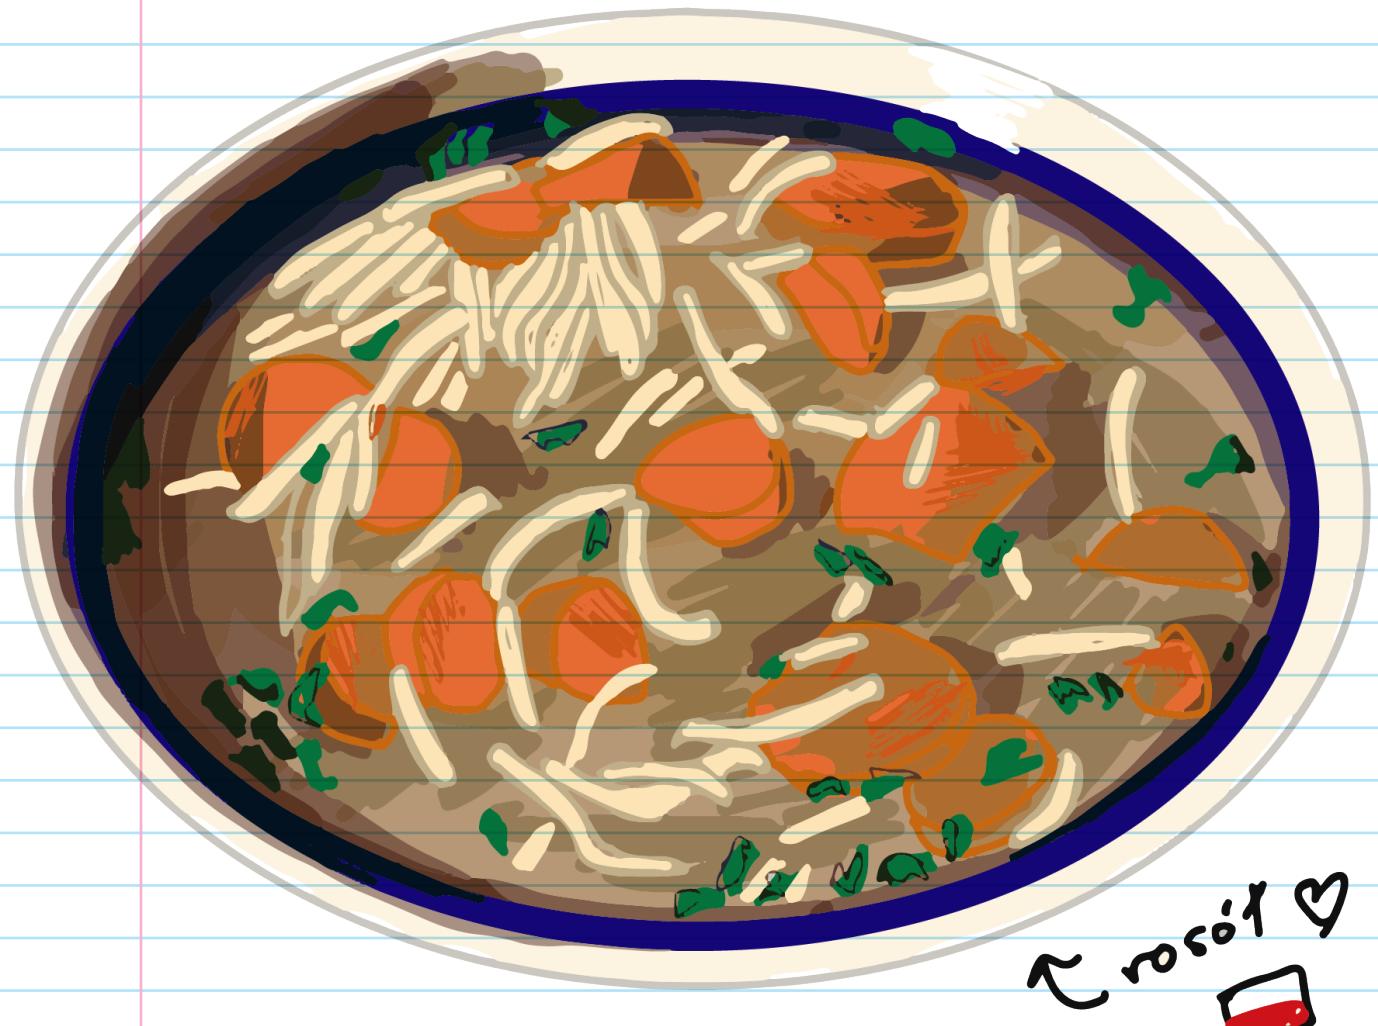

little Anna
circa 2008

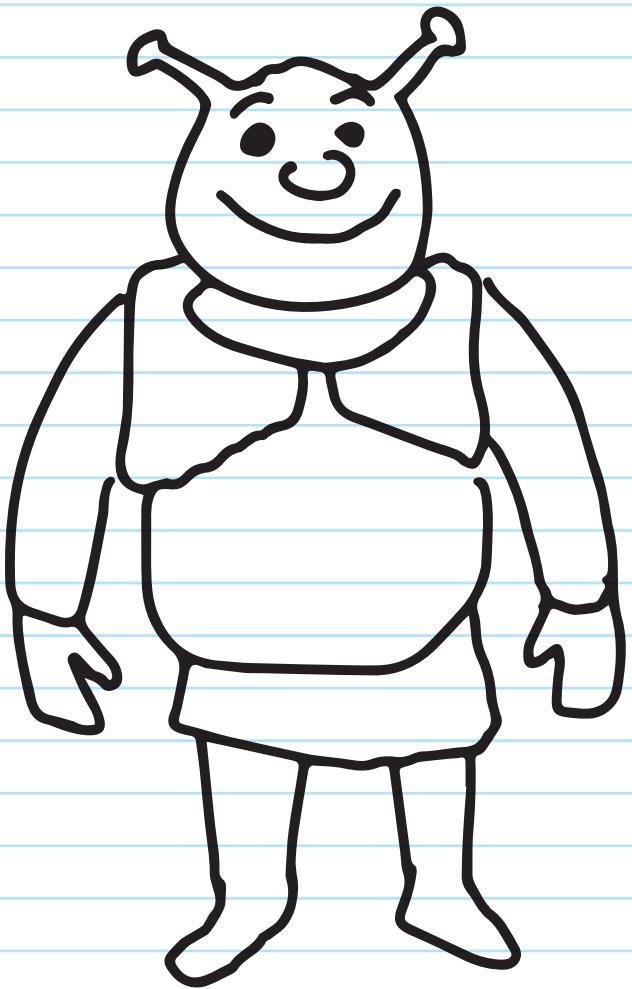

one time I asked my mom to take
the carrots out of my soup

you can't do that

don't take the carrots out

I've met people from all walks of life and not one person has disliked the movie Shrek
